### **Kindness Certificates**

Use the free **Kindness Certificates** to encourage, recognize, or reward acts of **Kindness**. Teachers, parents, and grandparents can give them to children or students. Employers, colleagues, or neighbors can distribute them directly or on social media.

Enter the recipient's name by hand after printing or insert the name directly into an electronic copy with the appropriate software. Use the blank line for a date, teacher, school, organization, etc. **Certificates** can also be cobranded, rebranded, or even created in a different language.

Obtain **Kindness Certificates** at [KindnessCloud.org/Resources](http://KindnessCloud.org/Resources). There are JPG and PDF versions of each. Download, print, copy, or post either version. Additional **Certificates** can also be created. All **Certificates** look the same; only the title is different.
