Kindness Giving Cards

Attach or leave Kindness Giving Cards both for the recipients and as way for recipients to share the story of your Kindness Forward, even long after they have enjoyed your gift.

Help Teachers: Host a school supplies drive at any time, not just in the month leading up to the school year. Collect donations of basic school supplies, such as paper, pens/pencils, rulers and coloring utensils, to gift to the nearest school or to give individual teachers.

Community Kindness: Donate your time to serve in a soup kitchen. Cook and bring meals to the sick. Organize others to give back to people in your community.

Kindness for the Ladies: Visit a local nursing home and treat the ladies there to a manicure. Take a group of volunteers with caddies full of manicure and nail art supplies to pamper the ladies at the nursing home.

Kindness Cleanup: Organize a cleanup day in your community. Show Kindness to the environment by picking up trash and restoring the area to its natural beauty.

Spread Kindness: Leave Kindness Snacks for those serving at welcome tables, tech support, nurseries, or any other in-house volunteers. Let them know that they are appreciated and that their hard work doesn’t go unnoticed.
