### **Kindness Cloud Online**

#### **Need Your Help (Draft Email)**

With a history that predates the **Corona Virus Crisis**, the tax-exempt, nonprofit **Kindness Cloud Foundation** has been working to increase the amount of **Kindness** in the world. (We are privately funded and do not compete with other nonprofits for funds from the public.) Now, more than ever, your help is needed to **Share Kindness Forward**.

We urge you to use our online capabilities, as well as your other social media, to **Practice and Share Kindness from Home**. A phone call, an email, or a post from you will mean much to someone else. Providing information for parents and teachers will help them and their children and students. We all have a role to play. **We Need Your Help**.
